Carol Kennedy (nee Welch) BSc Chem Eng 1972

"I was thrilled to become involved in supporting the Hub when it was at the 'twinkle in the eye' stage. It is providing exciting, novel ways of interaction and visualisation of heritage objects and enhancing access to our rich cultural history."

Mark Glatman, LLB Law, 1977 "The Hub is at the forefront of revolutionising the process of learning and discovery for people of all ages, cultures and backgrounds. The technology will stimulate an enthusiasm to explore and the recognition that there are no boundaries to knowledge."
