

Literature search feedback form

You have recently received the results of a literature search from the HSMC Library.

In order to help us to ensure the literature searches we send out are of high quality, we would be very grateful if you could take the time to complete this survey. Thank you very much for your time.

Part 1 - Your details

Your name (optional)

Your email (optional)

Part 2 - About the service you received

How long did it take for you to receive the results of your search

If your results took more than 1-3 days were you informed of this?

Were you satisfied with the results of your search?

Do you have any further comments about the search?

Part 3 - About your search request?

Untitled

What was the purpose of your search?

- | | |
|---|---|
| <input type="radio"/> Advice to colleagues | <input type="radio"/> Commissioning |
| <input type="radio"/> Contracting | <input type="radio"/> Legal or ethical issue |
| <input type="radio"/> To satisfy my curiosity | <input type="radio"/> To learn something new |
| <input type="radio"/> Teaching | <input type="radio"/> Managing costs |
| <input type="radio"/> Service development or planning | <input type="radio"/> Audit |
| <input type="radio"/> Research | <input type="radio"/> Refreshing my memory of a subject |
| <input type="radio"/> To be used for my course work | <input type="radio"/> Other |

If other, please specify

Did your search directly influence patient care?

Please tell us of anything you have done differently as a result of this search

Overall, how satisfied were you with the results

Do you have anything else to say about your search?

Part 4 - The future

Do you have any suggestions for how we could improve our service?
