

Course list

If you are looking to update your professional skills, then short courses could be for you. Some courses are assessed and carry accreditation while others offer a Certificate of Attendance.

Courses are delivered by some of the UK's most respected clinicians and health professionals. Our website is updated regularly so please keep checking for new announcements, or [sign up to our short course newsletter \(/facilities/mds-cpd/cpdnewsletter.aspx\)](#) to receive updates straight to your inbox.
