

## Diagnosis and Management of Headache disorders in primary care

**Date(s)** Friday 28th November 2014 (09:00-16:30)

**Download** [Add to Calendar \(/facilities/mds-cpd/events/headaches.aspx?ical=true\)](/facilities/mds-cpd/events/headaches.aspx?ical=true)

### Course Summary

This one day course aims to provide an evidence based approach to the challenges of diagnosis and management of headaches. It provides a unique opportunity to interact with the experts on a wide range of causes of headache.

### Learning Objectives

- An understanding of the diagnosis and treatment of migraine, tension-type headache and medication overuse headache
- How to investigate and when to refer headache disorders
- An understanding of how to recognise rarer headache disorders and knowledge of how they are treated

### Speakers

Professor Carl E Clarke – Professor of Clinical Neurology, UoB & Honorary Consultant Neurologist, Sandwell and West Birmingham Hospitals NHS trust

Dr Alexandra Sinclair – NIHR Clinician Scientist, UoB & Consultant Neurologist UHB

Sister Julie Edwards – Clinical Nurse Specialist for Headaches, Sandwell & West Birmingham Hospitals NHS Trust
