Jugjit Cheema (Regional Manager) from the University of Birmingham will be visiting Thailand in June to hold presentations for all students interested in studying at Birmingham.

The presentations will include information on study opportunities at the University of Birmingham, details of courses, entry requirements, funding/scholarships, accommodation, the city of Birmingham and studying in the UK.

They will also include Pre-Departure Briefing information for students who hold an offer to study at the University of Birmingham. This will enable you to find out more about travelling to and arriving at the University, student visas, accommodation and lots of other useful information.

The presentation will allow you to meet and make friends with other students who will be studying at the University and there will also be an opportunity to ask questions to our alumni – students who have graduated from the university – about their experiences.

The presentation events will be taking place on:

19:00-20:30

British Council Bangkok
