

## University of Birmingham Brazil Scholarships

The University of Birmingham is pleased to announce that it will again be offering 5 full fee scholarships for Brazilian PhD students to study at Birmingham, commencing their studies in the academic year 2015/16. The scholarships will be available for three years.

### Funding available

There will be 5 awards available. Successful applicants will have their tuition and bench fees waived by the University for 3 years (36 months)

A living allowance will be provided by the **Coordenação de Aperfeiçoamento de Pessoal de Nível Superior (<http://www.capes.gov.br/>)** (CAPES), including a return international airfare. Details can be found in the terms and conditions set out by CAPES.

The awards are available to students in any subject area available at the University of Birmingham.

### Eligibility criteria

- Candidates will be citizens and permanent residents of Brazil at the time of application
- Candidates must not be currently working or studying abroad
- Candidates must hold an offer from the University of Birmingham to be eligible for a scholarship; they must therefore fulfil the relevant academic and English language proficiency entry requirements
- Candidates should have an approved proposed study topic. To help find a supervisor at the University, please use our **[Doctoral Researcher Enquiry Service](#)** ([/postgraduate/courses/enquiry.aspx](#)).

### Application process

The application process and dates for the current call are subject to review. Full details will be available here shortly.

However, all applicants must apply to the University of Birmingham for the offer of an academic place. Applicants should apply as soon as possible using the **[online application portal](#)**. (<http://www.birmingham.ac.uk/dr/>)

Candidates will only be considered for the award where they have been selected by CAPES and are in receipt of an offer from the University of Birmingham.
