UK China Leadership Forum, Friday February 28th

The University hosted the China Leadership Forum 2014 at Birmingham on 28th March 2014, organized by the Great Britain China Centre and Foreign Affairs Office. This high profile forum is held alternatively in Beijing and the UK each year, and this was the first instance it had travelled outside London. The Shadow Minister for Higher Education and MP Rt. Hon. Liam Byrne and his peers attended from the UK side, and Chinese delegates were officials from different offices of the China State Council. This year's theme is "UK-China 2010: Partnership for Growth, Prosperity and Progress", which resonates well with the ministerial ties after the Prime Minister's visit to Beijing three months ago.
