

## FE and 6th Form Support

### Visiting our libraries

Our Libraries offer support catered towards 'A' Level study and project research. Whether you are a teacher who would like to arrange training for your students, or you are a student who would like to come and study for the day, we welcome teachers and pupils at 'A' Level who would like to use our facilities. **[Find out about organising a visit \(/libraries/fesupport/visits.aspx\)](/libraries/fesupport/visits.aspx)**.

### Information and research skills programmes

We offer a number of information and research skills programmes throughout the year, working with schools to provide teachers and students with the skills they

need for research projects, and to offer an insight into studying at University. **[Find out about our skills training programme and outreach schemes \(/libraries/fesupport/support.aspx\)](/libraries/fesupport/support.aspx)**.

### Support for colleges

The University offers a number of activities to support schools and colleges. **[Find out about some of these opportunities \(/libraries/fesupport/support.aspx\)](/libraries/fesupport/support.aspx)**
