

Sport and Exercise Sciences (Y14)

Edgbaston Campus, Edgbaston Yellow Zone

This building houses the School of Sport and Exercise Science.

Rated first in the UK for our excellence in world class research, our School of Sport and Exercise Sciences combines a long history of excellence in teaching and research.

Sport and Exercise Sciences includes the study of sport and human biology to understand the workings of the healthy human body and the way in which physical activity promotes health and well-being.
