

## Find an expert

Putting the stars of academic life into the media and public spotlight is a challenging task. But thanks to the combined enthusiasm of our academic colleagues and the energy of the Press Officers here, we now have over 400 experts - more than ever before - listed in our experts guide. Copies of the experts guide are restricted to practising journalists. Request your copy by **[contacting the Press Office \(http://www.birmingham.ac.uk/news/contacts/index.aspx\)](http://www.birmingham.ac.uk/news/contacts/index.aspx)**.

Our team of press officers release the latest breakthroughs in research, science and technology and give you access to the opinions and information you need by putting you in touch with knowledgeable experts who can comment on a wide range of issues. Our experts have been given media training and are aware of your requirements and the usual fast turnaround you have to provide in your line of work. If you want to find an expert today, visit our **[Press and Media contacts page \(/news/contacts/index.aspx\)](/news/contacts/index.aspx)**.
