

## Birmingham celebrates sporting success

Posted on Wednesday 23rd March 2011

Birmingham's sports teams put in great performances at the British Universities & Colleges Sport (BUCS) championships. Birmingham performs consistently well and this year particular success was achieved in the following sports:

- **Women's hockey** (<http://www.sport.bham.ac.uk/news/2011/03/womenshockeyoutclassloughboroughbucschampionships2011.shtml>)

Celebrations at the BUCS championships

The University of Birmingham is one of the UK's best sporting universities, regularly finishing in the top 3 of the BUCS championship. We call it 'Playing with Pride' and one of the reasons why student athletes from across the country and around the world choose to study, train and compete at the University.
