Coaching

UBSport offers a wide range of personal development opportunities for students and the sports workforce by linking with a wide range of courses and workshops through the year.

Courses range from first aid certificates to vocationally recognised qualifications such as Gym Instructor Awards, and specialist coaching workshops to full Level 2 coaching awards. Students are offered discounted places whenever possible and can be advised on finding funding.

Coaching courses are perfect for you to develop as a coach or official; to work in a leisure centre or fitness club; to apply for a PGCE or to keep yourself updated with the latest coaching knowledge.

For more information visit the **coaching courses page (http://www.sport.bham.ac.uk/page.aspx?sitesectionid=204&sitesectiontitle=Coaching+courses)** .
