

Presentations programme

Presentations and drop-ins offer you the opportunity to meet with our students and let them know what you are looking for in an application, what your recruitment plans are, opportunities for the coming year and what differentiates you from your competition.

We provide a comprehensive service, coordinating employer presentations, drop-ins and skills sessions to ensure you avoid clashing with other events – or competitors – and therefore maximise the impact of your visit.

Please note: Bookings for the autumn term 2014 are now closed.

We also welcome skills based workshops within the programme, such as application and interview skills and can provide suitable venues for such sessions.
