At Birmingham we are committed to preparing students for the challenging economic landscape and creating graduates who will enrich your business. Birmingham's strengths lie in its innovative approach to research and teaching, equipping students with strong leadership and problem solving skills, as well as creativity and independence.

Employable students, impacting on your business

We are developing students who can respond and adapt quickly. Our aim is to build a workforce which will not only assist you, but effectively contribute to business growth and productivity.

Courses combine academic rigour with a real practical focus, developing not only a broad range of higher level skills which you seek, but also specialist knowledge. Our

students are highly motivated from a diverse and well qualified background.

Careers Network offers a **range of excellent opportunities** ([/partners/employers/services/index.aspx](#)) for you to promote your graduate and undergraduate vacancies, meet with our highly skilled students and share your expertise.

We look forward to working with you and welcoming you to our campus.
