

## Interviewing on campus

Our campus facilities provide an ideal location for interviewing students. We have rooms available for hire and are able to offer administrative support throughout the year for modest charges.

Our on campus interview rooms allow you to:

- Interview groups of our students at a time convenient to you and them – students need to take less time away from lectures and can therefore be more flexible in their availability
- Maintain a regional base – we are happy for you to interview students from other universities
- Keep in touch with your office – you are able to use our administrative systems as well as having access to a computer in your interview room
- Avoid the hassle of scheduling – simply let us know what interview times you would like to use and the candidates you wish to see and we will do the rest

Our large seminar room is well equipped with a smartboard, beam projector and PC and can seat up to 18 candidates for aptitude testing and up to 25 for a presentation. The room also provides an ideal venue for less formal 'drop-in' sessions.

- Interview room hire £120 per room (per day, including lunch vouchers and refreshments)
- Large seminar room hire (to seat 25 for presentations or up to 18 for test sessions) £150 + VAT (full day) or £80 + VAT (half day)
