Chemical Engineering

- [Food Quality and Health Masters/MSc/PGDip/PGCert \(/postgraduate/courses/taught/chemical-engineering/food-quality-health-msc.aspx\)](/postgraduate/courses/taught/chemical-engineering/food-quality-health-msc.aspx)
- [Food Safety, Hygiene and Management Masters/MSc/PG Diploma/PG Certificate \(/postgraduate/courses/taught/chemical-engineering/food-safety-hygiene.aspx\)](/postgraduate/courses/taught/chemical-engineering/food-safety-hygiene.aspx)
- [Professional Doctorate in Agriculture and Food \(/postgraduate/courses/research/chemical-engineering/professional-doctorate-agriculture-food.aspx\)](/postgraduate/courses/research/chemical-engineering/professional-doctorate-agriculture-food.aspx)

Civil Engineering

- [Civil Engineering Masters/MSc/Diploma \(/postgraduate/courses/taught/civil-engineering/civil-engineering.aspx\)](/postgraduate/courses/taught/civil-engineering/civil-engineering.aspx)
- [Construction Management Masters/MSc/Diploma \(/postgraduate/courses/taught/civil-engineering/construction-management.aspx\)](/postgraduate/courses/taught/civil-engineering/construction-management.aspx)
- [Geotechnical Engineering and Management Masters/MSc/Diploma/Certificate \(/postgraduate/courses/taught/civil-engineering/geotechnical-engineering-management.aspx\)](/postgraduate/courses/taught/civil-engineering/geotechnical-engineering-management.aspx)
- [Geotechnical Engineering Masters/MSc/Diploma \(/postgraduate/courses/taught/civil-engineering/geotechnical-engineering.aspx\)](/postgraduate/courses/taught/civil-engineering/geotechnical-engineering.aspx)
- [HDM4 course in Road Management \(/postgraduate/courses/cpd/civil-engineering/hdm4.aspx\)](/postgraduate/courses/cpd/civil-engineering/hdm4.aspx)
- [iRAP course in Road Safety \(/postgraduate/courses/cpd/civil-engineering/irap.aspx\)](/postgraduate/courses/cpd/civil-engineering/irap.aspx)
- [Railway Risk and Safety Management /MSc/Diploma/Certificate \(/postgraduate/courses/taught/civil-engineering/railway-risk-safety.aspx\)](/postgraduate/courses/taught/civil-engineering/railway-risk-safety.aspx)
- [Railway Systems Engineering and Integration Masters/MSc/Diploma/Certificate \(/postgraduate/courses/taught/civil-engineering/railway-systems-engineering.aspx\)](/postgraduate/courses/taught/civil-engineering/railway-systems-engineering.aspx)
- [Road Management and Engineering Masters/MSc/Diploma/Certificate \(/postgraduate/courses/taught/civil-engineering/road-management-engineering.aspx\)](/postgraduate/courses/taught/civil-engineering/road-management-engineering.aspx)
- [Rural Roads for Development course \(/postgraduate/courses/cpd/civil-engineering/rural-roads.aspx\)](/postgraduate/courses/cpd/civil-engineering/rural-roads.aspx)
- [Senior Road Executives Programme \(/postgraduate/courses/cpd/civil-engineering/senior-roads-executive.aspx\)](/postgraduate/courses/cpd/civil-engineering/senior-roads-executive.aspx)
- [Structural Engineering and Practice Masters/MSc/Diploma \(/postgraduate/courses/taught/civil-engineering/structural-engineering.aspx\)](/postgraduate/courses/taught/civil-engineering/structural-engineering.aspx)

Electronic, Electrical and Systems Engineering

- [Communications Engineering and Networks Masters/MSc \(/postgraduate/courses/taught/eese/communications-engineering-networks.aspx\)](/postgraduate/courses/taught/eese/communications-engineering-networks.aspx)
- [Communications Engineering and Networks Masters/MSc with Industrial Studies \(/postgraduate/courses/taught/eese/communications-engineering-networks-industry.aspx\)](/postgraduate/courses/taught/eese/communications-engineering-networks-industry.aspx)
- [Electrical Power Systems Masters/MSc \(/postgraduate/courses/taught/eese/electrical-power-systems.aspx\)](/postgraduate/courses/taught/eese/electrical-power-systems.aspx)
- [Electrical Power Systems with Advanced Research Masters/MSc \(Two Year\) \(/postgraduate/courses/taught/eese/electrical-power-systems-advanced-research.aspx\)](/postgraduate/courses/taught/eese/electrical-power-systems-advanced-research.aspx)
- [Electrical Transportation Systems and Infrastructure Masters/MSc/PG Diploma/PG Certificate \(/postgraduate/courses/taught/eese/electrical-transportation.aspx\)](/postgraduate/courses/taught/eese/electrical-transportation.aspx)
- [Electromagnetic Sensor Networks Masters/MSc \(/postgraduate/courses/taught/eese/electromagnetic-sensor-networks.aspx\)](/postgraduate/courses/taught/eese/electromagnetic-sensor-networks.aspx)
- [Electromagnetic Sensor Networks Masters/MSc with Industrial Studies \(/postgraduate/courses/taught/eese/electromagnetic-sensor-networks-industry.aspx\)](/postgraduate/courses/taught/eese/electromagnetic-sensor-networks-industry.aspx)
- [Electronic and Computer Engineering Masters/MSc \(/postgraduate/courses/taught/eese/electronic-computer-engineering.aspx\)](/postgraduate/courses/taught/eese/electronic-computer-engineering.aspx)
- [Electronic and Computer Engineering Masters/MSc with Industrial Studies \(/postgraduate/courses/taught/eese/electronic-computer-engineering-industry.aspx\)](/postgraduate/courses/taught/eese/electronic-computer-engineering-industry.aspx)
- [Embedded Systems Masters/MSc \(/postgraduate/courses/taught/eese/embedded-systems.aspx\)](/postgraduate/courses/taught/eese/embedded-systems.aspx)
- [Embedded Systems Masters/MSc with Industrial Studies \(/postgraduate/courses/taught/eese/embedded-systems-industry.aspx\)](/postgraduate/courses/taught/eese/embedded-systems-industry.aspx)
- [Physics for Radio Engineering Masters/MSc \(/postgraduate/courses/taught/eese/physics-radio-engineering.aspx\)](/postgraduate/courses/taught/eese/physics-radio-engineering.aspx)
- [Railway Risk and Safety Management /MSc/Diploma/Certificate \(/postgraduate/courses/taught/civil-engineering/railway-risk-safety.aspx\)](/postgraduate/courses/taught/civil-engineering/railway-risk-safety.aspx)
- [RF and Microwave Engineering Masters/MSc \(/postgraduate/courses/taught/eese/rf-microwave-engineering.aspx\)](/postgraduate/courses/taught/eese/rf-microwave-engineering.aspx)
