

Planning your career

Birmingham postgraduates are highly sought after by employers and most find employment soon after gaining their degree. On average, 92% of our postgraduate students find employment within six months of leaving the University.

Our Careers and Employability Centre offers support and expert career advice tailored to meet the diverse needs of our postgraduate researcher community. We provide a range of resources and services to help you identify your career aims, contact prospective employers, and develop your skills. Our extensive links with major employers mean that you have access to the most up-to-date information to enhance your employment prospects.
