

## Master of Philosophy (MPhil)

### Master of Philosophy (MPhil)

We offer one-year and two-year Masters programmes:

- One-year Master of Philosophy (MPhil)  
Either (Mode A): A programme in which the key activity is undertaking research, combined with appropriate training. You must produce a thesis containing research work of merit; or
- Two-year Master of Philosophy (MPhil)/Master of Letters (MLitt)  
A programme in which the key activity is undertaking research, combined with appropriate training. You must produce a thesis containing original work of merit, worthy of publication. There is a small proportion of research training involved.

### Master of Research (MRes)

This provides a structured study programme offering broad research training as a stand-alone degree. The MRes programme is normally one year (full time) or two years (part time). There will be a small number of taught modules, together with one or more research reports or a thesis.

### Master of Music (MMus)

A programme, normally of one year's duration, of training in research with an emphasis on the acquisition of research skills. There will be a small number of taught modules involved and a research project.
