Pre-applicant postgraduates have the opportunity to register for our Postgraduate Campus Tours and Conversation afternoons, which begin at 12.30.

A group of current postgraduate students will offer full campus tours after which there will be the opportunity to talk informally over coffee, tea and cakes. Our current students will be able to give an insight into postgraduate study, the university, and life in Birmingham more generally. Where possible we will ensure that all aspects are tailored to your own subject interests.

To book your place please email Tom Penfold (t.w.penfold@bham.ac.uk) with the following details:

- The number of places you require (maximum of three)
- Details of the subject you are interested in
- Your contact details

Tours start at Reception in the Aston Webb Building.
