Are you interested in Masters and PhD studies? Are you looking for the right postgraduate programme? The QS World Grad School Tour in Paris brings together some of the world's top universities under one roof to meet potential students like you for their Masters and PhD programs. There will also be information about studying abroad.

A member of our Postgraduate Recruitment Team will be attending the event and will be able to answer any questions you may have about the postgraduate courses offered at the University of Birmingham across all five of our Colleges: Arts and Law, Life and Environmental Sciences, Engineering and Physical Sciences, Social Sciences and Medical and Dental Sciences. We will also be presenting an alumni panel where you can hear Birmingham alumni in Paris share their experiences of studying with us.
