The TARGETcourses Postgraduate Fairs are great opportunities to meet representatives from universities and other course providers and to find out more about postgraduate study.

A member of our Postgraduate Recruitment Team will be attending this North East event and will be able to answer any questions you may have about the postgraduate courses offered at the University of Birmingham across all five of our Colleges: Arts and Law, Life and Environmental Sciences, Engineering and Physical Sciences, Social Sciences and Medical and Dental Sciences.

To browse our postgraduate courses in advance, please visit our [**coursefinder pages. \(http://www.birmingham.ac.uk/postgraduate/courses/index.aspx\)**](http://www.birmingham.ac.uk/postgraduate/courses/index.aspx)

The event will take place at St. James's Park, Newcastle.
