Now in its 21st year, the Postgraduate Study Fair is your chance to plan your future by meeting representatives of over 90 institutions offering courses and further training for September 2015. The fair is open to students and graduates from any university.

A member of our Postgraduate Recruitment Team will be attending and will be able to answer any questions you may have about postgraduate study at the University of Birmingham and the opportunities we have on offer.

A range of advisory bodies will also be in attendance to answer your questions, including FindAMasters.com, FindAPhD.com, PostGraduateStudentships and the US-UK Fulbright Commission.

Register to attend the event from 11 September 2014 using the URL above.
