

## Silvio Carta publishes article on Sardinian documentaries

Posted on Wednesday 19th June 2013

Silvio Carta's article 'Sardinia in Fascist Documentary Films (1922–1945)' has just been published in the *Journal of Italian Cinema and Media Studies* (1:2, 2013, pp. 171–187). The essay examines how the territory of Sardinia is represented in documentaries produced during the Fascist era.
