

## Journal of Basque Film Studies relaunched

Posted on Thursday 28th March 2013

The **Journal of Basque Film Studies** (<http://www.eusko-ikaskuntza.org/es/ikusgaiak>) is relaunched as an annual edition dedicated to Basque cinema and screen studies. The journal is published by Eusko **Ikaskuntza / La Sociedad de Estudios Vascos / The Society of Basque Studies** (<http://www.eusko-ikaskuntza.org/es/>). Dormant since 2004, the relaunch responds to a tremendous amount of interest and industry in recent years.

The journal is peer-reviewed and has a newly constituted editorial board and an advisory board that includes filmmakers (Javier Aguirresarobe, Ana Díez) and the directors of the Basque Film Institute (Joxean Fernández) and the San Sebastián International Film Festival (José Luis Rebordinos). The advisory board also includes Professor Rob Stone of the University of Birmingham. Any queries may be addressed to Rob at [r.stone@bham.ac.uk](mailto:r.stone@bham.ac.uk) (<mailto:r.stone@bham.ac.uk>).
