

Screening European Heritage showreel

Posted on Monday 30th September 2013

We have just produced a showreel illustrating the events and activities of the first year of the AHRC-funded '**Screening European Heritage** (<http://arts.leeds.ac.uk/screeningeuropeanheritage/>)' project run by **The Centre for World Cinemas** (http://www.leeds.ac.uk/arts/info/125052/centre_for_world_cinemas/) at the University of Leeds in collaboration with B-Film: The Birmingham Centre for Film Studies.

'**Screening European Heritage** (<http://arts.leeds.ac.uk/screeningeuropeanheritage/>)' explores questions of inter-generational communication, cultural transmission and exchange. It examines the representation of Europe's past on contemporary screens, what this says about contemporary cultural attitudes to the past and how this reflects, and can be shaped by, the policies and practice of cultural institutions now and in the future.
