The 14th Rhythm Perception and Production Workshop will be held at the University of Birmingham, UK between 11th and 13th September 2013.

The 14th RPPW will consist of three days of talks and poster sessions, plus the addition of an optional satellite tutorial held on the 10th September, covering methods and analysis of multi-person movement timing. Registration for this will be separate from the 3 day conference.

The organising committee: Prof. Alan Wing, Dr. Mark Elliott, Dr. Max di Luca, Dr. Juliane Honisch, Dr. Kim Quinn, Dr. Satoshi Endo and Danni Sims.

For general enquiries, please contact Danni Sims: [rppw.14@gmail.com](mailto:rppw.14@gmail.com) (<mailto:rppw.14@gmail.com>)
