

Postgraduate study

The Centre is involved in teaching the following postgraduate courses which have corpus linguistics components:

[Corpus Linguistics MRes \(/postgraduate/courses/combined/english/corpus-linguistics.aspx\)](/postgraduate/courses/combined/english/corpus-linguistics.aspx)

This programme is relevant for those who have a professional interest in language, for example as teachers or translators; for those who have studied language at university and who wish to extend this knowledge [[more... \(/postgraduate/courses/combined/english/corpus-linguistics.aspx\)](/postgraduate/courses/combined/english/corpus-linguistics.aspx)]

[Applied Corpus Linguistics MA \(/postgraduate/courses/taught/english/applied-corpus-linguistics.aspx\)](/postgraduate/courses/taught/english/applied-corpus-linguistics.aspx)

The MA in Applied Corpus Linguistics is a flexible programme that allows you to study corpus linguistics and its application to other areas of linguistics, such as language teaching and learning, translation or [[more... \(/postgraduate/courses/taught/english/applied-corpus-linguistics.aspx\)](/postgraduate/courses/taught/english/applied-corpus-linguistics.aspx)]

[Applied Linguistics MA \(Distance Learning\) \(/postgraduate/courses/distance/english/applied-linguistics.aspx\)](/postgraduate/courses/distance/english/applied-linguistics.aspx)

The MA in Applied Linguistics is intended for anyone interested in the application of language research to language pedagogy, and for teachers of English who wish to upgrade their professional standing. We [[more... \(/postgraduate/courses/distance/english/applied-linguistics.aspx\)](/postgraduate/courses/distance/english/applied-linguistics.aspx)]

[English Language and Applied Linguistics PhD/MA by Research \(/postgraduate/courses/research/english/eng-lang-applied-linguistics.aspx\)](/postgraduate/courses/research/english/eng-lang-applied-linguistics.aspx)

We offer promising candidates the opportunity to carry out research in one of the most dynamic institutions in Britain. Our principal areas of research expertise are Corpus Linguistics, Stylistics and Discourse [[more... \(/postgraduate/courses/research/english/eng-lang-applied-linguistics.aspx\)](/postgraduate/courses/research/english/eng-lang-applied-linguistics.aspx)]

Research students

There are many PhD and visiting research students doing corpus-related work and they attend corpus seminars, workshops and make use of the corpus resources that the Centre owns.
