

## Coffee Mornings

**Join us!** Research Staff and Students - come and indulge in free coffee and cake whilst networking with colleagues from across campus, all with an interest in systems biology. Experience and participate in our informal themed discussions and potentially collaborate in research endeavours!

Research students are encouraged to turn up with any questions/problems that can be explored further.

### Upcoming Coffee Mornings:

Date: 1st November 2013

Time: 10:30-11:30

Theme: Simplicity vs Realism in Systems Modelling
