The University of Birmingham is the leading provider of degree-level education in autistic spectrum disorders in the UK - offering Continuing Professional Development (CPD) courses at both undergraduate and postgraduate levels. Our courses develop real insight and encourage reflective practice. You will be tutored by recognized experts in the field and have access to an extensive library and research materials. Academic credits and qualifications can be used as a springboard to further study. Our courses contribute towards LDAF and NVQ.

ACER has three specific courses associated with it.

### **[Autism \(Adults\) MEd/BPhil/Postgraduate Diploma/ Postgraduate Certificate/Advanced Certificate \(/postgraduate/courses/distance/edu/autism-adults.aspx\)](/postgraduate/courses/distance/edu/autism-adults.aspx)**

Postgraduate    Continuing professional development, distance learning    Distance learning

### **[Autism \(Children\) MEd/BPhil/Postgraduate Diploma/Postgraduate Certificate/Advanced Certificate \(/postgraduate/courses/taught/edu/autism-children.aspx\)](/postgraduate/courses/taught/edu/autism-children.aspx)**

Postgraduate    Continuing professional development, distance learning, taught    Distance learning, full time, part time

### **[Autism Spectrum \(Webautism\) University Certificate \(/undergraduate/courses/edu/autism-spectrum.aspx\)](/undergraduate/courses/edu/autism-spectrum.aspx)**

Undergraduate    Continuing professional development, distance learning,    Online study, 1 year

After completing one of these courses, you may wish to continue your education and research by working towards a PhD in autism.
