<http://www.tandfonline.com/toc/cree20/current> **Race Ethnicity and Education (REE)** (<http://www.tandfonline.com/toc/cree20/current>) is the leading peer-reviewed journal on racism and race inequality in education. REE provides a focal point for international scholarship, research and debate. It publishes original and challenging research that explores the dynamics of race, racism and ethnicity in education policy, theory and practice. The journal is essential reading for those working in this field and especially welcomes writing that addresses the interconnections between race, ethnicity and multiple forms of oppression including class, gender, sexuality and disability. Articles are independently refereed, following initial editorial screening, and the journal is supported by a distinguished international editorial panel.

Supported by the AERA Critical Examination of Race, Ethnicity, Class and Gender in Education Special Interest Group and the BERA 'Race' Ethnicity and Education Special Interest Group.
