

Charlotte Ross presented at the conference 'Italian Sexualities Uncovered: The Long Nineteenth Century (1789-1914)'

Posted on Sunday 7th October 2012

[Dr Charlotte Ross \(/staff/profiles/italian/ross-charlotte.aspx\)](#) presented a paper entitled '*Self-same tongues of condemnation or approval: discourses around lesbian and female same-sex desire, 1870-1914*' at the conference 'Italian Sexualities Uncovered: The Long Nineteenth Century (1789-1914)'. This was the first conference of its kind, and brought together scholars from the UK, Italy, America and New Zealand, from a variety of disciplines including History, Italian Studies, Philology and History of Science.
