

Consortium of Institutes of Advanced Study

IAS is a member of the [Consortium of Institutes of Advanced Study \(http://www.sas.ac.uk/support-research/networks-and-collaborations/consortium-institutes-advanced-study\)](http://www.sas.ac.uk/support-research/networks-and-collaborations/consortium-institutes-advanced-study) which currently comprises 19 research institutes based within universities in Great Britain and Ireland. CIAS and its member institutes take an active role in promoting multidisciplinary and interdisciplinary research at doctoral level and beyond, and offer an organisational structure and programme to foster these aims. Members are committed to enhancing public understanding of academic activity.

Further details can be found at the [Consortium of Institutes of Advanced Study \(http://www.sas.ac.uk/support-research/networks-and-collaborations/consortium-institutes-advanced-study\)](http://www.sas.ac.uk/support-research/networks-and-collaborations/consortium-institutes-advanced-study) website.
