

Work, Wealth and Wellbeing Research Group and Network

The Work, Wealth and Wellbeing research group and network has its home at the University of Birmingham and the inaugural event was the **WWW Institute for Advanced Studies workshop on 9 September 2013** ([/research/activity/ias/www/workshop.aspx](http://research/activity/ias/www/workshop.aspx)). The WWW group identifies a number of key research questions linking work wealth and wellbeing and four core interdisciplinary research work streams embedding linked research projects for future development.

Aims of the Work, Wealth and Wellbeing research group and network

- to bring together people interested in undertaking research and policy development in Work, Wealth and Wellbeing
- promote and cross-discipline dialogue around the policy/research literatures in this field
- explore/integrate theoretical approaches
- facilitate interdisciplinary collaborations discuss potential research tools
- discuss approaches to dissemination and impact
- (WS1) Optimising health, well-being and performance in diverse and ageing workforces** ([/research/activity/ias/www/ws1.aspx](http://research/activity/ias/www/ws1.aspx))
Including age diverse workforces and related pension and retirement policy, gendered workforces
- (WS2) Human Capital, earnings and well-being** ([/research/activity/ias/www/ws2.aspx](http://research/activity/ias/www/ws2.aspx))
Including components of human capital, value of experience, unequal access to human capital development
- (WS3) Lifecourse analysis** ([/research/activity/ias/www/ws3.aspx](http://research/activity/ias/www/ws3.aspx))
Including careers, maternity/paternity issues, caring responsibilities, retirement
- (CCWS) Methodology & theory** ([/research/activity/ias/www/ccws.aspx](http://research/activity/ias/www/ccws.aspx))

Core Research Work Streams

The initiative comprises three core work streams and a cross cutting work stream:
