

IEL Director chairs Stockholm workshop

Posted on Sunday 30th May 2010

In late May 2010 IEL Director Professor Martin Trybus chaired a workshop organised by Professor Gunilla Edelstam at the University of Soedertoern in the south of the Swedish capital Stockholm.

The workshop formed part of a network meeting of the Public Contracts in Legal Globalisation (PCLG) academic network directed by Professor Jean-Bernard Auby of Science Po in Paris. The workshop dealt with Public Contracts in the European Union and her neighbouring countries.

Most of the 11 paper presentations will be developed into chapters of a book edited by Professor Trybus, Gunilla Edelstam, and Professor Roberto Caranta of the University of Turin on Public Contracts in EU Law, to be published by Bruylant of Brussels in 2011.
