

## Professor Trybus speaks at Greek Public Policy Forum

Posted on Sunday 14th October 2012

In September (2012) Professor Martin Trybus delivered a paper on the 3<sup>rd</sup> Greek Public Policy Forum in Chania (Crete) entitled “Angela’s Party: the CDU, Europe, and Greece”.

In his paper he provided a critical overview of the historical, programmatic, and political background of the German Christian Democrat’s position regarding European integration in general and the future of Greece in the Euro zone in particular. The Greek Public Policy Forum is an initiative of Greek academics, journalists, lawyers, entrepreneurs, and economists to discuss solutions to the current crisis in Greece and also the EU.
