

Publications in European Law

Publications of IEL members include monographs, edited collections, book chapters, long reviewed articles, shorter articles and case notes.

These are mainly written in English but also include publications in Bosnian, French, German, Italian, and Spanish. Moreover, group members have been involved in studies for the European Commission, the European Defence Agency, the OECD, and a number of national governments.

Publications are mainly dealing with European Union law but also with the national laws of EU Member States, most notably France, Germany, Italy, and the United Kingdom.
