

The Qur'anic Manuscripts of the Mingana Collection and their electronic edition

Posted on Monday 25th March 2013

Alba Fedeli, a doctoral researcher at ITSEE, has just had an article about her research published online by the [International Qur'anic Studies Association \(http://iqsaweb.org/\)](http://iqsaweb.org/):

The Qur'anic Manuscripts of the Mingana Collection and their electronic edition **(<http://iqsaweb.wordpress.com/2013/03/18/qmmc/>)**

In it she describes the history of the Islamic Manuscripts in the Mingana Collection, outlines her projected electronic edition and discusses the digital tools available for work on the manuscripts.
