

## Our staff

### Principal investigators involved in liver research

#### **[Professor David Adams \(/research/activity/mds/centres/liver/staff/record.aspx?ReferenceId=6176\)](/research/activity/mds/centres/liver/staff/record.aspx?ReferenceId=6176)**

Professor of Hepatology  
Dean of Medicine  
Director NIHR BRU in Liver Disease and Centre for Liver Research

David Adams is Professor of Hepatology and Dean of Medicine for the College of Medical and Dental Sciences. He is also director of the Centre for Liver Research and the National Institute for Health Research (NIHR) Birmingham Liver Biomedical Research Unit and lead for translational research in the MRC Centre for Immune Regulation.

#### **[Dr Patricia Lalor \(/research/activity/mds/centres/liver/staff/record.aspx?ReferenceId=6245\)](/research/activity/mds/centres/liver/staff/record.aspx?ReferenceId=6245)**

Senior Lecturer

School of Immunity and Infection

Dr Lalor is a Senior Lecturer in **The Centre for Liver Research (/research/activity/mds/centres/liver/index.aspx)** with an interest in inflammation, endothelial biology and regulation of liver metabolism.

Trish has published over 50 research papers as well as reviews and book chapters in the fields of leucocyte recruitment, endothelial biology and liver disease. Her research has been supported by research grants ...
