

## Members

You can join the IEEN by [contacting us \(/research/activity/mds/projects/HaPS/PCCS/MESH/ieen/contact.aspx\)](/research/activity/mds/projects/HaPS/PCCS/MESH/ieen/contact.aspx) and joining our mailing list. Due to limited space membership of the network may not lead to attendance at the meetings, but we will endeavour to be as inclusive as possible. Everyone on the mailing list will receive updates about other activities, meeting reports and outputs, and other information that the conveners feel may be of interest.
