

FAQs

The Fistula in Ano Trial comparing the Biodesign® Surgisis® Anal Fistula Plug versus surgeons preference for transsphincteric fistula-in-ano.

The FIAT Trial will compare the Biodesign® Surgisis® anal fistula plug with the surgeon's preference: advancement flap, fistulotomy, cutting seton and LIFT procedure.

Please contact the FIAT Trial office if you have queries relating to the trial.

Email: FIAT@contacts.bham.ac.uk (<mailto:FIAT@contacts.bham.ac.uk>)

Tel: 0121 415 9104

Fax: 0121 415 8871
