

FIAT Trial

The FIAT Trial is funded by the HTA

The FIAT trial is being coordinated by the Birmingham Clinical Trials Unit ([BCTU \(/research/activity/mds/trials/bctu/index.aspx\)](#)). Please get in touch with the trials team if you would like to take part in the trial.

A [Registration Form \(/Documents/college-mds/trials/bctu/flat/FIATGeneralDocuments/FIAT-SiteRegistrationForm.pdf\)](#) is available for sites that wish to take part in the trial. These sites will need to identify a Lead Surgeon and a Lead Radiologist.

The [FIAT trial synopsis \(/Documents/college-mds/trials/bctu/flat/FIATTrialSynopsis.pdf\)](#) contains further information and an overview of the trial. If you have any other queries, or would like further details on the FIAT trial, please get in contact with the trials team at BCTU on FIAT@contacts.bham.ac.uk (<mailto:fiat@contacts.bham.ac.uk>) or 0121 415 9104
