Trial Administrator:

- Pui Au - 0121 415 9126 - p.au@bham.ac.uk (<mailto:p.au@bham.ac.uk>)

Trial Coordinators:

- Francis Dowling - 0121 415 9127 - f.p.dowling@bham.ac.uk (<mailto:f.p.dowling@bham.ac.uk>)
- Ryan Ottridge - 0121 415 9125 - r.ottridge@bham.ac.uk (<mailto:r.ottridge@bham.ac.uk>)

Trials Team Leader:

- Caroline Rick - 0121 415 9129 - c.e.rick@bham.ac.uk (<mailto:c.e.rick@bham.ac.uk>)

The PD REHAB study is funded by the HTA.

The [HTA](http://www.hta.ac.uk/) (<http://www.hta.ac.uk/>) programme is part of the National Institute for Health Research (NIHR). It produces independent research information about the effectiveness, costs and broader impact of healthcare treatments and tests for those who plan, provide or receive care in the NHS.
