

For trial participants

This page contains links to information which may be helpful to women who want to find out more about FEMME, a trial which will compare the changes in the quality of life women experience after their fibroids are treated with **uterine artery embolisation** (http://en.wikipedia.org/wiki/Uterine_artery_embolization) or **myomectomy** (<http://en.wikipedia.org/wiki/Myomectomy>).

- Information on **centres taking part in FEMME** (</research/activity/mds/trials/bctu/trials/womens/femme/participants/centres.aspx>)
- Electronic copies of **forms and protocol information** (</research/activity/mds/trials/bctu/trials/womens/femme/investigators/documentation.aspx>)
- Electronic copies of archived **Newsletters** (</research/activity/mds/trials/bctu/trials/womens/femme/investigators/newsletters.aspx>)
- **Answers to some Frequently asked questions** (</research/activity/mds/trials/bctu/trials/womens/femme/participants/faqs.aspx>)
