

## High Temperature Oxidation Group Gallery

This section contains a selection of interesting images produced during the course of the Group's research. The images are divided into the 3 sections below.

- [SEM/TEM micrographs \(/research/activity/metallurgy-materials/oxidation/gallery/micrographs.aspx\)](/research/activity/metallurgy-materials/oxidation/gallery/micrographs.aspx)
- [Theoretical predictions \(/research/activity/metallurgy-materials/oxidation/gallery/theoretical-predictions.aspx\)](/research/activity/metallurgy-materials/oxidation/gallery/theoretical-predictions.aspx)
