

Application and fees for undergraduate courses

The University of Birmingham will soon be offering an Undergraduate Degree in the Physics and Materials of Nuclear Engineering. For more information please contact **Professor Martin Freer** ([/staff/profiles/physics/freer-martin.aspx](http://staff/profiles/physics/freer-martin.aspx)) on +44 (0) 121 414 3384 or m.freer@bham.ac.uk (<mailto:m.freer@bham.ac.uk>).

For the other related courses that we offer, further details on:

- [how to apply](http://www.birmingham.ac.uk/students/courses/undergraduate/apply/index.aspx) (<http://www.birmingham.ac.uk/students/courses/undergraduate/apply/index.aspx>)
- [fees and funding](http://www.birmingham.ac.uk/students/fees/index.aspx) (<http://www.birmingham.ac.uk/students/fees/index.aspx>)

can be found on the University of Birmingham main [undergraduate web pages](http://www.birmingham.ac.uk/students/index.aspx) (<http://www.birmingham.ac.uk/students/index.aspx>).
