Philosophy Compass

Unique in both range and approach, *Philosophy Compass* is an online-only journal publishing peer-reviewed survey articles of the most important research from and current thinking from across the entire discipline. In an age of hyper-specialization, Philosophy Compass provides an ideal starting point for the non-specialist, offering pointers for researchers, teachers and students alike, to help them find and interpret the best research in the field. Yujin Nagasawa is Philosophy of Religion Editor of the journal.
