CHASM members speak and participate in a range of events, some of which are linked to the research projects they are involved in, and some of which relate to broader themes and issues.

Forthcoming events
Wednesday 22nd July
Room 710 Muirhead Tower
CHASM seminar, 'Public attitudes to wealth taxation', 7 July 2015, University of Birmingham.

Previous events
Take a look at all the Previous events (/research/activity/social-policy/chasm/events/chasm-previous-events.aspx) that the Centre on Household Assets and Savings Management have been involved in since its launch in May 2010.
