

## DRDN events

### Forthcoming events

There are no results that match your criteria.

### Dates for the diary

#### January 2015: Masterclass in Comparative Research

Venue TBC

This masterclass will be led by a leading academic in the field and will provide practical advice on the challenges of undertaking comparative research across different groups, cultures, countries etc. Doctoral researchers will be able to receive detailed feedback on their work.

#### February 2015: Superdiversity and Research Ethics Masterclass

Venue TBC

This masterclass will tackle ethical issues around conducting research on superdiverse populations. Doctoral researchers will be able to receive detailed feedback from a leading academic in the field.

#### March 2015: Superdiversity and Language Workshop

Venue TBC

This workshop will look at issues around bilingualism/multilingualism and cultural diversity within the context of conducting research on superdiverse populations.

#### April/May 2015: Networking Event

Venue TBC

This will provide opportunities for doctoral researchers to give feedback on the programme and suggestions for the future.
