

## Doctoral researcher diversity network

Posted on Tuesday 9th April 2013

IRiS has been awarded funds from the Alumni Impact Fund to establish a Doctoral Research Diversity Network (DRDN).

This network will provide opportunities for PhD students across the University to collaborate and develop skills around diversity research. DRDN will be run by a student committee.

More details will follow soon but if you have any queries about this or the work of IRiS please contact Ann Bolstridge, [a.bolstridge@bham.ac.uk](mailto:a.bolstridge@bham.ac.uk) (<mailto:a.bolstridge@bham.ac.uk>).
