

Birmingham Fellows: Full Circle - Episode Four

Dr Hareth Al-Janabi (School of Health and Population Sciences) interviews Dr Tom Dunkley Jones (School of Geography, Earth and Environmental Sciences) about his research into warm-climate states of the Paleogene period.

Birmingham Fellows (</staff/excellence/fellows/index.aspx>) are outstanding post-doctoral researchers at the University of Birmingham, recruited from around the world. Early-career researchers, they are poised to become the academic and research leaders of tomorrow.
